Disclaimer

WARNING: The information in this Report is presented using all reasonable skill, care and diligence and has been obtained from or is based on third party sources believed to be reliable but is not guaranteed as to its accuracy, completeness or timeliness, nor is it a complete statement or summary of any securities, markets or developments referred to. The information within this Report should not be regarded by recipients as a substitute for the exercise of their own judgement.

The information in this Report has no regard to the specific investment objectives, financial situation or particular needs of any specific recipient and is published solely for informational purposes and is not to be construed as a solicitation or an offer to buy or sell any securities or related financial instruments. In the absence of detailed information about you, your circumstances or your investment portfolio, the information does not in any way constitute investment advice. If you have any doubt about any of the information presented, please consult your stockbroker, accountant, bank manager or other independent financial advisor. Value of investments can fall as well as rise and you may not get back the amount you have invested. Income from an investment may fluctuate in money terms. If the investment involves exposure to a currency other than that in which acquisitions of the investments are invited, changes in the rates of exchange may cause the value of the investment to go up or down. Past performance is not necessarily a guide to future performance.

Any opinions expressed in this Report are subject to change without notice and Odd Asset Management is not under any obligation to update or keep current the information contained herein. Sources for all tables and graphs herein are Valu-Trac Investment Management Limited unless otherwise indicated.

The information provided is "as is" without any express or implied warranty of any kind including warranties of merchantability, non-infringement of intellectual property, or fitness for any purpose. Because some jurisdictions prohibit the exclusion or limitation of liability for consequential or incidental damages, the above limitation may not apply to you.

Users are therefore warned not to rely exclusively on the comments or conclusions within the Report but to carry out their own due diligence before making their own decisions.

Employees of Odd Asset Management, or individuals connected to them, may have or have had interests of long or short positions in, and may at any time make purchases and/or sales as principal or agent in, the relevant securities or related financial instruments discussed in this Report.
