ISA TERMS & CONDITIONS

An ISA is a scheme of investment managed in accordance with the ISA regulations by the ISA manager under terms agreed between the ISA manager and the investor ("ISA Terms and Conditions"). In this case, the ISA manager is Valu-Trac Administration Services.

The ISA investments will be, and must remain in, the beneficial ownership of the investor and must not be used as security for a loan.

The title to the ISA investments will be registered in the name of the investor and will be invested solely in VT Tyndall Unconstrained UK Income Fund shares as indicated in this form.

Contract notes or other documents evidencing title to ISA investments will be held by the investor.

The ISA manager will arrange for the investor to receive a copy of each annual and interim report and accounts of the Company issued from the date of their investment.

The ISA manager is under an obligation (subject to any provisions made by or under any other enactment), if the investor so elects, to arrange for the investor to be able to attend shareholders' meetings, to vote, and to receive, in addition to the annual report and accounts, any other information issued to shareholders.

The ISA manager will satisfy himself that any person to whom he delegates any of his functions or responsibilities under the terms agreed with the investor is competent to carry out those functions and responsibilities.

The ISA manager must notify the investor if, by reason of any failure to satisfy the provisions of the ISA regulations, an ISA has, or will, become void.

On the instructions of the investor and within the time stipulated by the investor, an ISA, or part of an ISA, shall be transferred to another ISA manager in accordance with the ISA regulations relating to transfers. The ISA Manager may place a minimum period on the time stipulated by the investor for transfer. This period, which represents the period the manager requires for practical implementation of transfer requests, will not exceed 30 days.

On the instructions of the investor and within the time stipulated by the investor (not exceeding 30 days), all or part of the investments held in the ISA and proceeds arising from those investments shall be transferred or paid to the investor.
